**NOTE:** Each team will be required to scorekeep at least 1-2 times during the tournament. Please look at the **scorekeeping schedule for your team name which designates your teams work assignments.** Failure to keep score will result in a loss to your team. Please assign scorekeepers who have previous experience or knowledge. Thank you in advance for your help.

Please report to the court you are designated to play at least 20 minutes before the scheduled start time because we will be looking to start games immediately after the previous game is finished. Thank you in advance for your help.

**Preliminary Round:** In Group D and Group E, team 1 plays team 2. The winners of the first game in Group D and Group E will cross play each other and the losers of the first game in Group D and Group E will play each other. In Group C, all teams will play each other. Upon completion, each team would've played in 2 games.

**Playoff Seeding:** After completion of these two games, each team will be seeded 1 through 7 according to your win-loss record & point differential. The top 5 teams by won-loss and point differential will advance into the playoff championship round while seeds 6-7 participate in a friendship game. Point differential is capped at a maximum of twenty (20) per game. Please check the schedule and report to your designated court on time. *Note: Teams may be moved up or down a spot to avoid repeat games. There is no reason to be playing the same team again if it can be avoided. This will allow for a more favorable match up and is at the discretion of the organizer.*
